

A Day in the life of An Oilfield Worker

Robert Reyes
with Lucky
Service Inc.
of Hobbs

1 Lucky Service employee Robert Reyes arrives on the job at 5:30 a.m. to check in all his paperwork before heading out to the field.

2 Reyes arrives on a well servicing rig site located west of Eunice. Reyes checks the overall maintenance of the rig and can check up to three rigs per day.

3 Reyes spends most of the day on the road or on the phone. Reyes adds 4,500 hundred miles per month on his company vehicle .

4 Tony Bunch of Neighburg Drilling signs Reyes a work ticket.

5 While on drilling rig site Robert Reyes asks Moses Acosta of Lucky Rental if everything is running smoothly on the job before leaving and moving on to the next rig. Reyes can check in on 2 to 3 rigs per day.
